For quality programming, parties prices are for 12 children and around 7 adults.

\$5.00/child for each additional child.

- (\$20/supply fee for Science Magic)
- \$200 for programs modified by request.

Snakes Alive!

Dive into this fascinating group of reptiles and learn what makes them so intriguing. Find out which snakes call Nature Sanctuary home, and enjoy a guided hike in search of REPTILES.

Schedule this party for the snake lover in your family. Children will meet some MLTNS snakes, go on a snake search, and make their own reptile craft.

Your party will be a slithering hit!

Insect Excitement

Note: Party offered only May - October

The Nature Sanctuary is filled with amazing insects such as dragonflies, katydids, beetles and more! Spend your party figuring out differences between insects and their friends. We'll head outside and everyone will have a chance to catch and release some insects and then come inside to make a bug craft.

It'll definitely be a buggy birthday!

Science Magic

Ages 7 & up (\$15 supply fee)

The world around us is magical and full of surprises. At this party guests will learn some amazing spectacles of science! Partiers will also explore some magical science factoids and will meet a live animal. Plus, the party goers will make a magical craft.

You'll have a magically marvelous birthday!

Dino-riffic

Prepare for some prehistoric fun as we learn about the reptiles that once walked the earth! This birthday includes making a plaster fossil to take home, exploding a volcano, meeting a distant relative of these amazing giants, and a trail hike to search for dinosaur relatives.

This birthday party that is positively prehistoric!

Bird Bonanza

Partiers will soar above and beyond any normal party to learn about the world of birds. We'll learn what makes a bird a bird and then head outdoors in search of hawks, cardinals, bluebirds and more! Every child will also make their very own birdfeeder to take home.

Have a Happy Bird-day!

Tracks & Trails

Ages 6 & up

Partiers will become wildlife detectives and explore the tracks and traces left by our resident wildlife. They will then use models of tracks to decorate a t-shirt or other item (parents provide) with our fabric paints. The party also includes a fun predator and prey game and meeting a live animal.

This party promises to be one fun adventure!

Ask about our overnight birthday options! See our overnight program brochure, ask a naturalist, or give the Nature Center a call (816) 781-8598 for details and pricing.
